

# CONCORD LAW SCHOOL

---

## PURDUE UNIVERSITY GLOBAL

California Business and Professions Code (B&P) 6061.7 requires a law school that is not approved by the American Bar Association to provide certain information on its website. The State Bar of California has provided a template form to be used by law schools. In reviewing the information set out in this reporting form, please keep the following information in mind:

### **Admissions information**

Concord has three first year class starts each year. Concord does not require applicants to its JD program to sit for the LSAT, but Concord has its own 40-question online admissions test with a minimum score requirement. Approximately 60% of applicants who undertake the online test are disqualified from applying to the JD program for not meeting required cut scores.

Concord's transfer policy may be reviewed in the school catalog at <http://catalog.purdueglobal.edu/concord-law-school/policy-information/academic-information/#text>

### **Tuition, Fees and Financial Aid**

In addition to the information provided on the report form, you can also review the information at <http://concordlawschool.edu/admissions/tuition>

The Refund Policy can be reviewed in the catalog at <http://catalog.purdueglobal.edu/concord-law-school/policy-information/financial/#text>

### **Employment Outcomes**

The employment data reported below was compiled from a survey of graduates of Concord's Juris Doctor program. Because Concord is required to report survey results for employment for each of the first three years after graduation, Concord is reporting survey results for its 2014 graduates.

Eighty-eight surveys were sent out and 37 graduates responded, for an overall response rate of 42%. The percentages for those who are employed in a position where a JD is required or a JD is an advantage are expressed as a percentage of all respondents who reported being employed. For example, 32 out of 37 respondents reported being employed currently. Of these 32 employed graduates, 47% reported being employed in a position where a JD was required and 28% reported being employed in a position where a JD was an advantage.

**Academic Calendar**
